

```
1 public void printGreeting() {  
2     if (isMorning()) {  
3         System.out.println("Good Morning!");  
4     } else if (isAfternoon()) {  
5         System.out.println("Good Afternoon!");  
6         System.out.println("Lovely day for a stroll!");  
7     } else if (isEvening()) {  
8         System.out.println("Good Evening!");  
9     }  
10 }
```
